In the Matter of:

REVIEW OF FEDERAL COMMUNICATIONS)
COMMISSION'S TRIENNIAL REVIEW ORDER) CASE NO. 2003-00379
REGARDING UNBUNDLING REQUIREMENTS)
FOR INDIVIDUAL NETWORK ELEMENTS)

US LEC'S MOTION FOR FULL INTERVENTION

Pursuant to 807 KAR 5:001, Section 3(8) and Ordering paragraph 1 of the Order issued October 2, 2003, in the above-captioned proceeding, US LEC of Tennessee, Inc. ("US LEC") submits this motion for full intervention in the above-captioned proceeding.

US LEC is a utility authorized to provide competitive local and long-distance services in Kentucky. As a competitive local carrier ("CLEC"), US LEC has a direct interest in the Section 251 unbundling obligations of incumbent local exchange carriers, and intends to participate in this matter. US LEC's participation is likely to present issues that will assist the Commission without unduly complicating the proceeding.

A copy of this motion is being sent to the Attorney General and to the incumbent local exchange carriers identified in paragraph four of the Commission's Order. Any future pleadings will be served upon parties or as the Commission may otherwise direct.

US LEC requests that all pleadings and other documents be served upon:

C. Kent Hatfield
Douglas F. Brent
Middleton Reutlinger
2500 Brown & Williamson Tower
Louisville, KY 40202

and

Wanda Montano
Vice President, Regulatory & Industry
US LEC Communications
6801 Morrison Boulevard
Charlotte, NC 28211

For the reasons shown above, US LEC asks that this Motion for Full Intervention be granted.

Respectfully submitted,

By: _____
